House, October 8, 1974 [see attached]

2. S 3473 -

Cong Rec, Oct 11, 1974, H 10396:

MR  
Hays:  
seeking  
approval  
of  
conference  
concept

"The Senate bill delineated the authority and the responsibility of ambassadors basing its language upon letters that President Kennedy and President Nixon had sent to their ambassadors during their Presidency. We thought that the Senate language, however, intruded upon the constitutional role of the President. We insisted, and the Senate conferees agreed, that all powers exercised by an ambassador were to be under the direction of the President."
